Australian Journal of Biological Sciences

A journal for the publication of results of fundamental research in biochemistry, physiology, genetics, endocrinology and reproductive biology, and microbiology.

This journal is one of the Australian Journals of Scientific Research published by the Commonwealth Scientific and Industrial Research Organization with the cooperation of the Australian Academy of Science. Editorial policy for the journal series is developed by a Board of Standards appointed jointly by CSIRO and the Australian Academy of Science.

Editors

L. A. Bennett
M. F. Dobbie

Advisory Committee

Acceptance of papers for this journal is in the hands of an Advisory Committee appointed after consultation with the Board of Standards.

Chairman R. G. Wake

Members D. M. de Kretser
